

Bowes/Cefalo Young Researcher Award

UNC Center for Maternal and Infant Health Application Guidelines 2017

Thank you for your interest in the Bowes/Cefalo Young Researcher Award. Please follow the format below for the elements of your application. All applications should include a header with your last name on each page. Please use one inch margins, minimum 11 point font (Times New Roman or Calibri), single spacing, and include page numbers.

Cover Letter – Maximum of one page:

- project title
- project mentor name
- your contact information

Project Description – Maximum of three pages:

- Research hypothesis
- Research aims
- Research methods
- Description of how the research will further the understanding of issues associated with maternal and infant morbidity and mortality

Budget – Grant awards range from \$3,000 - \$5,000 on average – Maximum of one page:

- Itemized budget
- Budget narrative justifying expenses and identifying key personnel
- If receiving additional financial support – dollar amounts and funding source

Work Plan – Maximum of one page:

- Monthly work plan for one year project period
- Identify milestones and activities

References – Do not count toward page limits

Due Date: Proposals must be received by 5:00 pm on Thursday June 1, 2017. Proposals should be emailed to Katherine Bryant at katherine_bryant@med.unc.edu. Please include Bowes/Cefalo Application in the subject line. Applications should be saved as a .pdf file with your last name and Bowes Cefalo 2017 (e.g. Bryant Bowes Cefalo Application 2017.pdf) Questions may be directed to Katherine at 919-962-7924 or Sarah Verbiest at 919-843-7865.
