

# Inpatient Bilateral Tubal Ligation (BTL) for Self-Pay Patients

## Workflow-BTL at time of Delivery

<b>Outpatient Clinician</b>	<ol style="list-style-type: none"> <li><b>Educate Patient:</b> This is a voluntary, non-reversible procedure. Other options such as an implant or IUD provide a similar level of protection but allow a woman to become pregnant in the future if her reproductive desires change.</li> <li><b>Document:</b> Patient education and any needed consult appointments should be clearly documented in the medical record.</li> <li><b>Ensure medical records available:</b> Clinic Partners should fax records to UNC L&amp;D: 984-974-8837</li> </ol>
<b>Patient</b>	<ol style="list-style-type: none"> <li><b>Call UNC Financial Navigator:</b> 984-215-6528. A navigator will respond within 1-2 business days. Call before 34 weeks if possible. Financial Navigator will inform patient of: <ul style="list-style-type: none"> <li>Total cost</li> <li>Required deposit (must be made prior to scheduling procedure)</li> <li>Payment plan options</li> <li>Forms of payment (credit and debit card)</li> </ul> </li> </ol>
<b>Inpatient Clinician</b>	<ol style="list-style-type: none"> <li><b>Verify deposit has been made:</b> Receipt must be in hand or uploaded in EPIC. If unable to verify, call UNC Financial Navigator: 984-215-6528. If unable to verify deposit has been made, the procedure will not be performed unless medically necessary.</li> </ol>

## Other Insurance-BTL at Time of Delivery

<b>Presumptive Medicaid</b>	Call <b>UNC Financial Navigator</b> . Presumptive Medicaid <b>DOES NOT</b> cover BTL's.
<b>Medicaid</b>	Call <b>UNC Financial Navigator</b> to confirm type of Medicaid and coverage. There are no additional costs to the patient but the <b>Medical team must ensure consent is signed 30 days prior to delivery and uploaded to EPIC.</b>
<b>Medicaid Family Planning</b>	Call <b>UNC Financial Navigator</b> to confirm type of Medicaid and coverage. There are no additional costs to the patient but the <b>Medical team must ensure consent is signed 30 days prior to delivery and uploaded to EPIC.</b>
